

Quality Policy

IPS★ITCS is committed to providing consistently high quality, safe, reliable products, and services to industry, which meet customer expectations. This policy will be implemented through the Company's Management System.

IPS★ITCS commits to taking all practical steps to ensure consistency in its products and services by:

- Setting quality objectives and targets in line with its operational goals.
- A commitment to quality from management and employees.
- Regularly reviewing the systems, using collected data, for continuous improvement.
- Open and constructive communication with all stakeholders.
- Implementing scheduled audits to monitor the system; and
- Executing decisive corrective actions to prevent recurrence and realize continuous improvement.

This policy will be made available to the public and reviewed annually to ensure its relevance to the organization.
